

Kaikoura Marine Strategy: Your Views

Te Korowai would really value your views on the proposed Kaikoura Marine Strategy, and invite you to send your comments to us by email or post to the addresses given below.

- Please make sure your contact details (surname, initial and email/ postal address) are clearly marked on your submission so that we can send you a copy of the submissions summary.
- This document presents an *integrated strategy* for the management of the Kaikoura Coast. The process involved 'gifts and gains' by the various sectors represented around the table and we encourage you to view it as a whole package, providing protection and enhancement of our coastline for future generations. Please make any general comments about the Strategy as a whole, at the beginning of your submission.
- As you record your comments, we ask that you follow the order of the document and refer to the section of the draft you are commenting on, to help us take account of your views.
- Please include reasons for your comments and include reference to any information we may not have been aware of, while we were drafting the Strategy.
- All submissions will be treated as public documents and used to compile a summary report for Te Korowai. The summary report will be made public and may include quotes from submissions to illustrate key points.

We look forward to receiving your views by

2nd December 2011

Thank you.
